

Citizens Of North York

We are at a very crucial hour in the world struggle for freedom.

Before the leaves fall in 1943, what will happen?

The war may be won before the leaves fall again, that is something that could happen, but just now with Hitler holding all of Central Europe, including the wheat lands of Russia, and enjoying all inside lines of communications it really does not seem possible that the war can be won within that time.

The war may be lost before the leaves fall again, the submarine menace has not yet been beaten, and seems to reach always nearer to Canada. Germany has been hoarding its fighter planes for months. Why?

Germany's great tank factories have been tooled to new types of tanks for long enough, but none of them have been seen on the Russian front. Why?

Whether the war is won or lost before this time next year may depend on how all inclusive Canada's war effort is to be.

The thing every man or woman can do is to buy Victory Bonds now. Thus your individual all out effort can be made.

If you do not wish to pay when you sign, your banker will gladly arrange purchase on instalment plan for you. We cannot win without planes and tanks and guns, therefore your last dollar is needed to support our fighting men. Before the sun sets again buy your bond and feel you have done your best for Canada.

Chairman, Victory Loan Campaign.

Unique Tribute Paid To Keswick Boy In Wentworth

GLADSTONE MARRITT COM-
PLETES 25 YEARS AS
REPRESENTATIVE

W. G. Marritt, B.S.A., who has been agricultural representative of Wentworth county for 25 years, was honored by friends and representatives of agricultural societies and Women's Institutes at a dinner at Green'sville last Thursday evening. He is the oldest son of William Marritt of Keswick.

Mr. and Mrs. Marritt were presented with a silver tray, suitably engraved, and a cheque from friends and organizations in the county. In presenting the tray, Niram Fletcher, reeve of Binbrook, spoke of the organizing ability of Mr. Marritt and his effective work among young people. George Weatherston, reeve of Beverly, also spoke of Mr. Marritt's effective work.

Mr. Marritt was born in Keswick. He attended public school in Keswick and high school in Newmarket and taught school for three years before attending O.A.C., Guelph. He graduated in 1917.

Mr. Marritt's work with the Junior Farmers of the county is outstanding. He has organized calf, potato, hog and grain clubs, livestock and seed judging competitions, and a short course in agriculture for boys and home economics for girls. He has encouraged boys and girls with talent to go on to higher learning and can point with pride to the successes over these years of former members of his clubs and short courses.

Mr. Marritt replied humorously to the presentation and related some of his experiences during the past 25 years.

Mrs. J. H. Carcailien, president of South Wentworth W. I., presented Mrs. Marritt with a basket of roses.

The toastmaster for the evening, George H. Bethune, M.P.P. for South Wentworth, introduced the speakers, all of whom paid glowing tribute to Mr. Marritt's services.

The speakers were: Hon. T. B. McQueen, minister of highways; Ellis Corman, M.P.; W. R. Hook, deputy minister of agriculture; J. A. Carroll, superintendent of agricultural societies; Joseph Ames, warden of Wentworth county; Charles Meek, head of the milk control board; S. B. Stuthers, district representative for Wellington; John Weatherston, president, Junior Farmers; Marshall Bethune, vice-president, Junior Farmers; Bruce Hossack, secretary, Junior Farmers; and J. J. Enright, reeve of West Flamboro.

MAYOR SAYS THANKS FOR LOAN MEETINGS

Mayor Dr. L. W. Dales said this week: "The thanks of the mayor and council are offered to those who assisted so well in arranging the Victory loan service Sunday evening and the flag-raising Monday."

"We hope the many societies and officials who co-operated in these patriotic demonstrations will feel they have rendered a real service in helping on the home front."

WAR IS LIFE AND DEATH
STRUGGLE BETWEEN LIFE
AND DEATH

CANON CODY SPEAKS

A moving and reasoned appeal for the support of the Victory loan was made by President H. J. Cody of the University of Toronto, one of Ontario's best known public speakers, at a non-denominational meeting in the town hall on Sunday evening.

President Cody paid tribute to the town of Newmarket, "famed," he said, "for its co-operative spirit," but less than 350 citizens, the hall only about three-quarters full, were present to hear the distinguished speaker. He urged purchase of Victory Bonds.

"Each Newmarket citizen feels that he is a citizen of no mean town," said Canon Cody. "Newmarket citizens are known for their generosity. Newmarket is known too for its excellent educational institution, far and wide into the dominion has gone the name of Pickering College."

"We are in a peaceful town," he said. "It is hard for us to realize that there is a war, one of the grimmest wars that has ever been waged. Great areas of Europe and Asia have been laid waste. Houses have been reduced to rubble, men, women and children killed and maimed."

"The sinking of a ferry-boat between Canada and Newfoundland makes us realize that this war is not so far away. 'We rededicate ourselves tonight in humility, repentance, in faith, in grim determination. It is well that we realize the presence of God.'

"We have not yet won a victory. Nothing but a victory that is an out-and-out victory will satisfy the needs of the case."

"Tonight we are meeting in great, stern days, days when the souls of men and women are being tried to the utmost. I suppose that there was never a war in which the issue was clearer."

Canon Cody compared the struggle with the struggle in Pilgrim's Progress between Christian, humble, conscious of past faults and failures, conscious of God, and a foul fiend. "Yet Christian won," he commented.

Canon Cody recalled a recent summary of the world issue by Lord Halifax, "a deeply religious man." In these words: "Shall Christianity continue or shall it fade? It is the fight between Christ and Anti-Christ."

"We Canadians are in it," Canon Cody said. "We have been in it since the beginning. We declared war a week after the motherland. I do not hesitate to use that term 'motherland.' It has made its mistakes, and yet even today I still think the world's best hopes rest on that old motherland. We did not purpose to be an idle or sleeping partner in that great Commonwealth."

"Secondly, our self-interest demanded our participation. Unless the high seas are kept free, we cannot export our goods. 'I believe that we Canadians, consciously or unconsciously, felt that we were asked whether we stood for freedom or slavery, justice between man and man or injustice, for truth or for lies, for mercy or for cruelty, for Christian ideals or for anti-Christian ideals.'

"We also realized that this is a life and death struggle. It is really a struggle between life and death. Where do we stand? No one can be neutral in the face of this issue."

"It is an attack upon our way of life. Our 'way of life' should not be interpreted according to all the foolish things we do, but according to the great ideals of our western civilization. First, we have inherited from ancient Greece the idea of political liberty, the idea of the search for truth, the love of beauty. The ancient Romans contributed the idea of the rule of law, of order, sacredness of contract."

"Then above all came the great contribution from the Jews and the Christians, the idea of loving-kindness, of helpfulness, of mercy, the practice of Christianity as represented in the good neighbor, the good Samaritan. There you have western civilization at its best and there is what is attacked."

"There are four great principles in our western civilization. First is the religious principle, that each of us is of infinite value in the sight of God, second, a moral principle, the sacredness of personality, third, a political principle, freedom, justice, security, freedom from want, fourth, a domestic principle, the family principle, the family is the individual writ large, family life, family purity. 'These make our life. These

McIntosh Reds from Mulock's York Orchards will tempt and delight the public this Saturday when Newmarket Boy Scouts, Rovers and Cubs put on their annual 'apple day.'

It was announced for last Saturday, to coincide with the apple day of other Ontario centres, but the apples weren't obtainable and were not quite as ready for use as they will be this Saturday.

It also turned out that Saturday was a rainy day, whereas this Saturday, the Scouts and Cubs believe, the sun will shine all day long!

When you buy one of these delicious apples you will be helping the Boy Scouts carry on their activities for another year. It is their one appeal for help for their own work.

BUYS GUNS FOR SOLDIER SONS

"Nothing matters now but Victory," said Great War Veteran Bill White (right) this week as he bought two \$250 machine-guns from Canvasser W. L. Bosworth (left) for early delivery to his two sons, Jim and Dave White, two of the first Newmarket boys to enlist and two of the first to go overseas. SET TIME FOR TEST OF TOWN A.R.P. SIGNALS

FACTORY WHISTLES WILL
BLOW TUESDAY EVENING
AS TRIAL WARNING

WARDENS WILL MEET

(By Rudy Renzius, secretary of the Newmarket Civilian Defence Committee)

The local Civilian Defence Committee will be testing their signals on Tuesday, Oct. 27, at 7 p.m. It is proposed that the Office Specially Company's whistle will blow long blasts continuously for three minutes and the Davis Leather Company's whistle will sound short blasts for three minutes.

If this works out satisfactorily, it will be adopted as the official air-raid warning for Newmarket. This Tuesday it will serve as a call for air-raid wardens and post-men to go to their meetings, where the signals will be discussed. The senior wardens are asking their wardens and post-men to do their very best as far as attending these meetings. It is so much more interesting if you don't miss any.

Chief Sloss and his auxiliary police are doing a grand job and have practically finished the first part of their training and are doing some target shooting in the town hall basement certain nights. All the senior wardens are pleased with the progress their groups are making and are looking forward to lectures on gas and incendiary bombs soon, also instructions in first aid.

The sand boxes you may have noticed on certain street corners are filled with sand and you are welcome to a couple of buckets for fire or bomb protection.

CHRISTIAN WORKER DIES, MRS. THOMPSON

A resident of Newmarket for the past 17 years, Mrs. W. J. Thompson died in a Toronto hospital on Saturday in her 84th year. Brimming over with enthusiasm and good neighborliness, Mrs. Thompson had made a deep impression on the community.

A former pastor, Rev. A. E. Marshall, paid tribute to her fine qualities and years of devoted service to the church at a funeral service in Trinity United church on Tuesday afternoon. Rev. Henry Cotton, the present pastor, assisted Mr. Marshall.

The music included one of her favorite hymns, "Unto the hills." Pallbearers were Cpl. Fred Thompson, Edw. Kershaw, Toronto, Brockman, Brace, Toronto, son-in-law and nephew, Frank Bowser, Morden, Carter, Harvey McColek, all of Newmarket. Interment was in Newmarket cemetery.

Relatives were present from Preston, Orillia, Toronto, Stouffville, and Flesscherton.

Laura Lorne O'Brien was born in Stouffville, the daughter of Julia Parsons and James O'Brien. She grew up in Stouffville, was educated there and married 30 years ago William Jay Thompson of Stouffville.

They lived in Toronto for a short time and then returned to Stouffville, where Mr. Thompson was in business. They moved to Newmarket 17 years ago.

Mrs. Thompson was an untiring and enthusiastic church worker. She was particularly interested in missions. Her interest was heightened by the fact that her sister, Mrs. A. J. Brace, and Rev. Mr. Brace, spent many years in Chinese missionary work under Y.M.C.A. auspices.

Mrs. Thompson was a member of the Methodist and United church choir, Stouffville, and formerly of Trinity choir, Newmarket. Mrs. Thompson was active in the Newmarket Red Cross until her health failed a year ago.

Besides her husband, Mrs. Thompson leaves two sons and a daughter, Sgt. Harold Gordon Thompson, overseas, Cpl. Fred R. Thompson, R.C.A.F., Dnace, Sask., Mrs. Edw. Kershaw (Dorothy Blanche), Toronto, nine grandchildren, three brothers and a sister, Edmund O'Brien, Dennisport, Cape Cod, Mass., Oscar D. O'Brien, Chicago, Ill., Herbert O'Brien, Newmarket, and Mrs. A. J. Brace (Blanche), Toronto.

HEPBURN RESIGNS

Hon. M. F. Hepburn resigned yesterday as premier of Ontario, and was succeeded by Hon. Gordon Conant, formerly attorney-general.

VICTORY Column Visits NEWMARKET

Newmarket and district Victory loan canvassers are hard at work, and are meeting with a good response. Citizens seem anxious to do a little more than is easy, and are giving the canvassers both cash and instalment plan encouragement.

The big Victory loan event of the week is the demonstration on Newmarket's Main St. on Saturday afternoon at 5 o'clock by an R.C.A.F. precision squad.

The fliers will come to Newmarket with an armored column and will be escorted by nine Harvard bombers dropping leaflets from the sky.

Newmarket industries and business people have co-operated this week in bringing Victory loan messages to the people of Newmarket and North York. Their messages will be found on pages three and four.

Full details of the armored column event will be found in an announcement on page five.

The column will spend the night at Newmarket military camp.

Loan Recalls An Outdoor Ceremony Of 68 Years Ago

FLAG-RAISING CEREMONY
STARTS OFF NEWMARKET
LOAN CAMPAIGN

Newmarket canvassers set out Monday to sell \$250,000 worth of Victory bonds. They were Deputy-Reeve Joseph Vale, W. L. Bosworth, W. H. Eves and Rev. R. R. McMath.

Newmarket opened the third Victory loan campaign with a flag-raising ceremony at noon on Monday. Mayor Dr. L. W. Dales presided. Newmarket Citizens' band provided music. A chorus of several hundred Newmarket public school children sang O Canada, God Save the King and The Maple Leaf Forever, which had its premiere in Newmarket when Alexander Muir taught school here many years ago.

The occasion of the first singing of the Maple Leaf was by Newmarket school children at the laying of the cornerstone of the Christian-Congregational church by the Earl of Dufferin on July 25, 1874.

A smart detachment from the military camp raised the two flags, Union Jack and pledge flag, in the presence of members of the town council and quite a large group of citizens. Although the flag-raising was scheduled to take place at 12:10, the ceremony took place before that time; as the children had been present since 11:45 and the band and military detachment were all present and ready to go ahead.

TAXES POUR INTO NEW MUNICIPAL TREASURY

The town's first tax collection, for the Oct. 15 discount, under a new municipal roof, proved a big success. N. L. Mathews, K.C., town clerk, solicitor, and treasurer, reported to the town council on Monday evening.

"The rate this year is half a mill lower and the amount to be collected is therefore smaller," Mr. Mathews said.

"Up to Oct. 17, 1941, collections for the year were \$81,256," he said. "Up to Oct. 17, 1942, they were \$83,393, or about \$2,130 more."

"Arrears collections are \$13,682, compared with \$17,250 last year, or about \$3,560 less," said Mr. Mathews. "The reason that we have been collecting a smaller amount every year is that there have been less to collect. And that is a good thing. We showed only about \$18,000 arrears of taxes this year as current assets."

"Penalties would also be less. Penalties collected up to the same time last year amounted to \$1,660, this year \$1,420."

"That is a very creditable showing," said Reeve F. A. Lundy, chairman of the finance committee. "Some of us attribute the better collections to better conditions. What pleases me is the way arrears are going down."

Councillor Wm. Dixon, chairman of the property committee, told the council that he was going to purchase Venetian blinds for the new municipal office, and put gold-leaf lettering on the windows. He asked what should be put on the windows.

Mr. Mathews suggested "Town of Newmarket, Municipal Offices," on the Main St. window, and "Town of Newmarket, Water and Light," on the Botsford St. window.

Councillor Frank Bowser commented on the attractive Victory loan display in the municipal office Main St. window. The display was arranged by W. J. Hopkinson, Newmarket artist.

"It is a credit to the town to have an office where we can decorate a window like that," said Mr. Mathews. "I would like to thank the council for your co-operation in securing and fixing up the new office."

"I have heard quite a bit of comment from people about the new office," said Councillor J. L. Spillette. "It is a vast improvement."

THURSDAY, OCT. 22

HE IS TWICE ARMED WHO LENDS

People may put different interpretations on the loan slogan, "Nothing matters now but victory." The meaning intended is that expenditures which do not promote the war-winning effort, and which could be dispensed with, should be dropped in favor of expenditures which will help to win the war. There are few of us who cannot find some non-essential expenditures in our personal budgets, or our business budgets. However small the savings, we can use them effectively by purchasing war bonds or war savings certificates.

Our earned dollars are but symbols of the hours we have worked, and even though we did not earn them in war industry we can turn our past work into war production by lending our dollars to the government. Those who earn their dollars in war or essential industry or services help the war effort a second time when they invest their savings in war bonds or certificates. He is twice armed who cuts his own firewood; he is twice armed who lends his dollars to the government.

The meaning we shall not take from the slogan, "Nothing matters now but victory," is that we are not to plan now for the peace. If we waited until the end of the war to plan for peace, it would be a sorry peace. We must not be content with the knowledge that the U.S. administration is exacting post-war economic co-operation pledges from its allies in return for lease-lend aid, or that our own dominion has a post-war plans committee, or with the knowledge that little groups of private citizens in Britain, the United States and Canada, and no doubt other countries, are trying to formulate acceptable and workable plans for a new League of Nations. Each one of us should do a little thinking on the subject and make our contribution to.

DOLLARD

The return to Canada of Lieut.-Col. Dollard Menard, D.S.O., of Quebec, with a group of Dieppe heroes, will recall to Canadians that heroic story from our early history, the defence of Montreal against the Iroquois by Adam Dollard, Sieur des Ormeaux, and 16 French youths. Montreal was then the outpost of French settlement in North America. Maisonneuve had insisted on taking his little group of colonists to Montreal "though every tree on this island were to become an Indian." The barbarian Iroquois killed, captured, tortured the French colonists and fur-traders. Dollard resolved on an act that would make the Iroquois respect and fear the French. He took his band of young men to the foot of the Long Sault Rapids and lay in wait for the Iroquois. For eight days, the story goes, they fought 800 Iroquois, till the last of their little band was killed. Their fight helped to make possible the settlement of Canada. Seldom in the history of human conflict, we may say with slight variation of Churchill's words, have so many owed so much to so few.

A German submarine sank a freighter in the St. Lawrence river 200 miles from Quebec city two weeks ago. Twelve crew members lost their lives.

The International Red Cross has offered to mediate in the shackling of Axis and Allied air.

prisoners. Britain had already asked Switzerland to act as a mediator.

Air superiority in Europe is definitely on the Allied side, but a second land front must await until "we have secured superiority over the German air force and paralyzed the production capacity of the German aircraft industry." Capt. Eddie Rickenbacker said in an official U.S. report on a survey trip to Britain.

WILL WHEAT WIN THE WAR?

In spite of the elimination of men's trousers with cuffs, double-breasted coats, and sliced bread, there remains a lot of waste in our Canadian economy. At our present rate of progress it would take us ten years to reach Hitlerite Germany's state of war efficiency. Fortunately, we have on our side much greater resources and therefore can win with less efficiency. We haven't been in Germany but we fancy that there are no bread trucks running 30 miles from Berlin to compete for door-to-door sales with bread made locally. We fancy that there are no salesmen tripping around the country making good-will calls.

We are quite sure that German farmers are not, as the U.S. publication Newsweek says, Canadian farmers are, storing wheat outdoors protected only by a covering of straw. That is possibly something that a few farmers are doing, but it calls attention to the fact that we have not gone far enough with our summer fallow program and that many producers of Canadian wheat are wasting their time in useless production. If they cannot raise hogs and cattle, they should help farmers, in the west or the east, who can produce needed food. Ontario Attorney-General Gordon Conant states that in the past three years Canadian agriculture has had a net loss of 200,000 workers. With such a loss it is essential that Canadian agriculture become efficient and drop the production of wheat surpluses. It is difficult to see how the continued production of such huge wheat crops helps to win the war.

WHAT OTHERS THINK

HE RAN A STRAIGHT COURSE

(Stouffville Tribune)

The services of Warden C. E. Toole of Whitechurch township were sought by York county council on the Toronto and York Roads commission, and the big legislating body handed him the appointment along with a salary of \$1,500 per annum for his services. Warden Toole, who did absolutely no lobbying for the appointment, after due consideration, decided to accept the appointment, and county council hastily convened and passed the by-law. Then the Hon. Mr. McQuesten declared the whole thing illegal, and held that by no means can the county council attach a salary to the commissioner's job.

Reeve Toole declared from the outset that the salary was a factor in his acceptance and without pay he could not nor would not take on the job. His resignation last week, when the strange stand taken by Mr. McQuesten became an obstacle, is just what one would expect from a man like Earl Toole. He did not ask for the job, said he would only take it if he could be compensated so that he could hire other help on his farm, and when he found the county council could not live up to their part of the bargain, he promptly resigned. What we think of Mr. McQuesten will have to wait for another time.

PEPPERLAW Institute Sends 29 Ditty Bags To Sailors

The Pepperlaw W.I. held its September meeting at the home of Mrs. M. LeDuc.

The meeting opened with old-time songs, followed by the creed and collect. A large number answered the roll-call, "A garden or poultry hint."

It was decided to give \$10 towards the expenses of the delegates going to the convention at the Royal York hotel, Toronto. Mrs. Willard Arnold of Virginia, appointed alliance officer for the W.I., handled her work capably, explaining the meaning of different things in connection with the work and answering questions for the members. Several ditty bags were handed in and 29 have been sent into the Navy League.

*It is a symbol indicating

the new Victory Bonds.*

PINKY-WHITE DIMPLES; a button of a nose; wee, slender fingers clutching at your coverlet—what kind of a world is this to which you will awake?

Your life, we hope, will be rich in love and laughter. God forbid that your Canada should ever come under the heel of a ruthless barbarism, where babies are born to be the future shock troops, or the mothers of a brutal, military race.

We promise that you shall inherit a Canada blessed with the liberty our fathers bequeathed to us. You shall be free as we are free.

So we gladly lend our money to our country in this crisis. We will buy Victory Bonds to the very limit. We must and we will make sure that the threat of a brutal way of life is banished forever.

HOW TO BUY—Give your order to the Victory Loan salesman who calls on you. Or place it in the hands of any branch of any bank, or give it to any trust company. Or send it to your local Victory Loan Headquarters. Or you can authorize your employer to start a regular payroll savings plan for you. Bonds may be bought in denominations of \$50, \$100, \$500, \$1,000 and larger. Salesman, bank, trust company or your local Victory Loan Headquarters will be glad to give you every assistance in making out your order form.

**Work Harder
Lend More to
Canada !**

We have the men and they have both the skill and the courage. We have the just cause and the will to win. Then, "What is the Price of Victory?"

One answer is: Harder work on the home front; a tightening of belts from coast to coast; a forgoing of all luxuries; the saving of more money; a program of self-denial for the duration, so that we can lend more and more money to Canada.

Our investments in Victory Bonds will help to give us better-trained, better-equipped soldiers, sailors and airmen in this global struggle for human justice, decency and freedom.

Victory Bond dollars are "double-duty" dollars. They will shorten the war and will provide us with the means to carry out our new plans when peace comes again.

Self-denial is the order of the day. Save and invest.

When Emergency Strikes . . .

YOUR HOME

Do You Quibble About Money ?

OF COURSE YOU DON'T . . . AND MONEY'S NO OBJECT IF IT PROVIDES THE CARE THAT WILL HELP SOMEONE YOU LOVE! YOU'RE READY TO GIVE UP ANYTHING AND EVERYTHING IF YOUR SELF-DENIAL WILL REMOVE THE THREAT OF DANGER.

WELL, TODAY, NOT ONLY YOUR HOME, BUT YOUR COUNTRY, EVERYTHING YOU VALUE -- IS THREATENED WITH THE GREATEST EMERGENCY OF ALL -- THE CLUTCHING, MURDEROUS GREED OF A BLOOD-CRAZED WAR MANIAC. AND ALL THE ARMIES IN THE WORLD WILL NOT KEEP HIM AWAY . . . IF MONEY IS LACKING TO BUY THE TOOLS THEY NEED.

But, thank God, it isn't too late! If you have the courage, the moral strength and the determination, he can be defeated. It means shelving those comforts and extras you've learned to take for granted . . . leashing that money for a steady, relentless flow of guns, planes and ships that will blast that scourge of Hitlerism away from your own home and family. Remember, wars aren't won by the fighting forces alone--no matter how brave. The folks back home have got to do their share. We must sacrifice peacetime luxuries . . . conveniences . . . all thought of personal gain. Only then can Victory become a reality.

Remember, you will be laying up for yourself the best of all investments --VICTORY BONDS are backed by all the resources of the Dominion of Canada; they yield a fair rate of interest; you can borrow against them; and they are readily saleable when you need the cash.

In Memoriam

Alderson—In loving memory of a dear father and grandfather, Thomas Alderson, who passed away Oct. 25, 1940. We often sit and think of him when we are alone.

When we are alone, That grief can call its own; Like ivy on the withered oak, When all other things decay, Our love for him will still keep green.

And never fade away. Sadly missed by Alma, Gert and Donnie.

Alderson—In loving memory of our dear father, Thomas Alderson, who passed away Oct. 25, 1940. You are not forgotten father dear, Nor ever shall you be.

As long as life and memory last We shall remember thee. Ever remembered by his daughter, Audrey, and son, Joe.

Alderson—In loving memory of my dear husband, Thomas Alderson, who fell asleep in Jesus Oct. 25, 1940.

When all is still and silent, And sleep forsakes my eyes, My thoughts are in the silent grave Where my dear husband lies.

Sadly missed by his wife.

Baillie—In loving memory of a dear mother, Mrs. Florence Baillie, who passed away Oct. 20, 1939. The good you have done, the hearts you have won, God counts good deeds by one

RAVENSHOE

BRIDAL COUPLE ARE HONORED BY FRIENDS

In honor of Mr. and Mrs. Harold Bray, who were married recently, about 50 friends and neighbors gathered on Friday evening at the home of Mr. and Mrs. Ralph Holborn. The gifts, which were many and useful, were largely kitchenware. The Ravenshoe friends told the bride that, knowing something of what she had received at an earlier shower, they had been able to plan so that they could fill in the gaps in her household equipment.

Mr. and Mrs. Bray both thanked their friends in a few well chosen words.

Canvassers Find Citizens Anxious To Do Their Bit

Aurora Victory Loan canvassers, who made a splendid showing during the last campaign, are again on the job and are making a systematic canvass of the town.

Early reports indicate that they are meeting with a fine response from Aurorans. Citizens are urged to make their task easier by being ready to purchase a bond when they call.

Mayor Frank Underhill, Thomas Swindle, and G. Wyatt Baldwin are the men charged with the responsibility of seeing that Aurora does its part for victory.

Bill Griffith Takes Field Day Honors, Breaks Records

Two record-breaking performances and the complete domination of the boys' senior class by Bill Griffith highlighted the annual Aurora high school field day, held in the town park last Thursday.

Despite scattered drizzle the boys' senior class was not as strong individually as usual and the points were well divided. Elaine Ough, with 17 points, was first, while Joan Chalk, Mary Bennett and Marie Hulse all tied for second with 13 points.

A sea-saw battle was waged by Jim Bryan and Pete Crysdale for the intermediate title, with Bryan's better all-round performance netting him 34 points against 31 for Crysdale. Don Stephenson, Galloway and Williams all had their moments of triumph. Peter Mackey and Audrey Trent, who both attended Hartman public school before entering Aurora high school, battled it out for the intermediate girls' title. Miss Mackey's superb jumping decided the issue. The points were 15-15.

The junior events saw a scramble for honors, with few standout performers. Glen Atkinson with 14 points edged out Hughie Cousins by one point for individual honors. John also did well.

Mary Thomas and Carol Underhill finished in a tie for the girls' junior title, with 15 points apiece. Miss Thomas won three firsts, while Miss Underhill scored in practically every event.

Every Man Wanted Aboard H.M.S. Victory, Is Message

"England expects every man to do his duty."

Yesterday, Trafalgar day, recalling the battle that sealed the doom of Napoleon, these famous words, from Nelson on the flagship H.M.S. Victory, were recalled as a Victory loan message by Rev. Henry Cotton, Newmarket, speaking in an Aurora factory at midday.

"Hit Hitler Now," was Mr. Cotton's theme. "Choose your bonds, shackles or Victory bonds," he told his interested hearers.

Mr. Cotton, told from his own prison camp, experience during the last war, how he saw Belgian, Rumanian and French women compelled to work in a concentration camp under armed German guards.

"Do we want our women to be slaves?" he asked.

Ottawa Switches Auroran From One Post To Another

Under the powers of national selective service the wartime director of technical personnel has transferred Ewart Pinder, well-known North York sportsman, from his position as assistant superintendent of Frost and

Wood at Smith Falls, to Woodstock, where he assumes the position of production manager of the shell division of Massey-Harris Ltd. Mr. Pinder has already assumed this important post.

AURORA POPULATION INCREASES BY 149

Major W. H. Taylor, veteran Aurora assessor, has returned his assessor's roll for the 17th time. This year's roll for the town of Aurora shows an increase of 149 in population, as against 2,765 last year. There are 150 men over the age of 21 on active service who are on the voters' list. No compilation is made on the assessment roll of those under 21 on active service.

During the year there were 30 births, the stark finding made by Aurora mothers at York County hospital. There were 18 deaths, a decrease of nine from the year previous. Dogs number 168 and school children are listed as 523.

House space was reported at a premium by Mr. Taylor, who noted a "marked degree of improvement" in the appearance of homes. Building had not been as extensive as in other years, due to a shortage of materials and only one new home had been built, although there had been many architectural changes.

DOWN THE CENTRE

Home Tunbridge, captain of Aurora juniors two years ago and who for two years turned in some sensational work with the locals, is playing outside wing for Runnymede C.I. in the T. and A. interscholastic league. Ross will play hockey this year for either Marlborough or Young Rangers. We think the latter. Tunbridge is close to draft age now, too, and Marlborough, as much as possible, will try to get players around 17, like Oshawa has done for the most part.

Bill Armstrong, former Aurora and Penetang player, is playing for Parkdale C.I. while Ross Johnstone of Etobicoke is with Humberstone, Masterson with Bloor and Stew. Martin with Runnymede.

Pickering college appears to have the edge in prep. school competition this year and only needs to trim University Schools again to have a mythical conference title wrapped up. While the team is the best fielded by the blue and grey for some years, it has not the competition of other years to face. However, the record book makes no allowance for that and at the time of writing the boys from McCulley campus are cocks-of-the-walk. Bernie Taylor and his U.T.S. are swearing to get revenge.

"Fat" James has checked in at Petawawa camp and is likely to be there as an instructor for some time. If so, he will seek a berth on the army team entered in the Ottawa Valley league.

Charlie Kearney, golf professional at Barrie, has gone on active service and has been granted leave of absence for the duration. Under his supervision the Barrie course became one of the finest nine-holes in the country and produced some fine players, too.

former Aurora resident, took up golf this season and reached the finals in the Ontario handicap competition. He hits a long ball, just like he did in softball.

Stan Walker, Aurora tannery softball, has reached the finals of the handicap competition at the Aurora golf club the hard way. It took three tries for Walker to finally come through with a win over Herman Gilroy of Newmarket, one of the club's veteran performers. At the end of 36 holes they were tied, but in the last 18 Gilroy won, five up and four to play.

His win kept the finals to an inter-town struggle, as awaiting the winner was Larry Molyneux of Newmarket. Larry has had a good season on the links. He has not as yet announced his wintertime intentions, but we understand from along the grapevine, if he so desires, he can return to Barrie to coach the junior Colts again. He made a fairly good showing on end last winter after a poor start. No coach, however, can be much better than the material he has on hand to weld into a machine. If a team functioned here this winter Molyneux looked like the logical successor to Charlie Rowntree and he would have proved popular with the fans, too. Unless a miracle occurs, however, there is little likelihood of Aurora being represented in the O.H.A. series this winter.

Tom Birchard, the Barrie boy who played second base for Aurora when he was stationed here, is now with Bell Telephone Co. in an active service. We hear, and stationed down east. Tommy, a bit past his prime two years ago, was a swell fielder, but none too strong at bat. He was popular with his mates and the fans.

Champions crowned at district school meets the past few weeks are: Markham H.S. senior boys, Wilbur Annis, junior boys, Wm. Maynard, senior girls, Betty Coates, junior girls, Betty Coates; Richmond Hill high, senior boys, Jim Witherspoon, junior boys, Bill Moore; juvenile, Barry, Collard, senior girls, Joyce Barracough, intermediate girls, Shirley Healey, juvenile girls, Connie Rumney. Our scouts inform us Misses Watson and Rumney, Moore and Collard, in their classes are as good as the best to perform throughout the district.

Bill Griffith at Aurora high scored a crushing victory in the senior boys' events with what we think is the biggest point total ever recorded at Aurora in a field day, 54 points. We fail to recall any athlete making as many firsts since the events were started here in 1924.

We saw both Howard Folliott and Pete Hughey establish their records in the running and half-mile runs never thought to see them equaled by local school boys. In the 220, had Griffith not cut wide at the stretch turn, he would probably have lowered the mark to 22 seconds. Competition furnished by the pack was responsible for the 204 mark in the 880-yard event and we think Doolittle, too, broke Hughey's mark. Don Stephenson's half-mile win and McGuire's senior mile were other events worthy of special mention.

Vic Fowler, who for years was a familiar figure at trotting meets throughout rural Ontario, died suddenly at Woodbridge last week and at last word relatives were still being sought. Fowler compiled and sold the race programs at the fall fairs and will be remembered at Newmarket, Markham, Woodbridge and many other centres by countless hundreds. He was a walking encyclopedia, too, on harness horse matters.

Harold Lawrie of the well-known Markham hockey clan has received his army call and gone on active service. He was a member of the Markham Flyers of last year, who went to the Intermediate B finals against Owen Sound after eliminating Newmarket camp. George Scott, Bob Bangay, Bob Lawrie, Austy Baker, Ralph Parkinson are some of that team who are now fighting for victory.

"Pepper" Martin has not checked into Queen's University as yet and is either working with other students at the harvest in western Canada or else is army bound. Without him, however, the Queen's team is still strong enough to lead the Kingston City league.

Ken House, who tended goal briefly for Richmond Hill, Aurora and King City, is a pilot-officer now with the R.C.A.F., the only former Aurora junior, we believe, who has secured a commission. House, who hailed from New Hamburg, played junior there and then moved to Maple with the back. He alternated three years with "Eater" Patten in the Richmond Hill nets and the following season turned out with Aurora. He played several exhibition games and then was understudy to Ross Waddell after the latter appeared on the scene. He appeared for King City in goal with the consent of the Aurora club, but was disbarred from rural competition because he had signed an O.H.A. certificate. Our opinion at the time was that if House had been played in goal in place of Jess Turtin, Kleinberg would never have made the grade over Mooney's men.

Charles Case informs this corner that King City will definitely have a team entry some place this winter and are going to hold another dance soon to raise funds. After the success of the Aces in softball the past season, Charlie thinks his boys might duplicate the effort in an Aurora or inter-town league and if such a league is formed he will likely apply for a franchise. Incidentally, Case's Aces are due to break out in print shortly, as they had their physio "shot" on Sunday afternoon, with a borrowed trophy in front of them, the real trophy being locked up in the Collins Leather plant, with Superintendent Bill West in Ottawa.

Frank Frederickson, captain of the Winnipeg Falcons in 1920, the first Olympic hockey winners, inter a pro with Victoria, Boston, Pittsburgh and Detroit, will coach St. Catharines seniors this winter. Frederickson is an air force officer there and so "Pepp" Kelly will not break into the senior coaching ranks. Buffalo have a string on the Pepper and he may or may not play amateur with St. Kitts.

W. B. Lappin, who is currently playing a relatively fine game in the backfield for St. Andrew's graders, is playing his first year at Canadian football. A British

schoolboy, he came as a war visitor to the Aurora school, and after a year of watching answered Coach Lane's call to arms. "A jolly good game," he describes the whole thing. Playing on the Andrean backfield this year is no sinecure, with little protection up front. Upper Canada came to Aurora Saturday for what should be the best game of the season. Both teams have been beaten in every start and the scores make them appear about even. It should be an interesting tussle.

Newmarket camp officials are pretty proud of their soccer team, which, organized late in the season, has made a truly remarkable showing against some of the best teams in the Toronto district. The Newmarket boys have won three games, all by similar scores against Toronto Scottish, Toronto Manning R.C.A.F., and the Norwegian senior team from Little Norway. All three teams are well-known to Aurora and well up in the Aurora honors this season. Sole loss was a 2-1 defeat to District Depot, who are the newly crowned Toronto Garrison titleholders.

Syd Bowman, the popular C.S.M. otherwise known in the sergeants' mess as "The Flicker," is the coach and general factotum of the team. Bowman is well schooled in soccer lore and has a fine playing history behind him. He likes to get out and just with the boys on the playing field.

Chespuik, a lance-corporal who hails from the Thunder Bay district, is the capable net-minder. "Cheppy" has played for Fort William, Garson, Falconbridge and Hollinger, or, in other words, with the best in northern Ontario.

Fullbacks see Driver "Bulky" George, a Toronto merchant, and "Dead-pan" Bell, formerly of Hamilton Steeles, blocking the portals to Chespuik's domicile. Bell is a sure-footed kicker, while George hands out some wicked body-checks.

Bob McNabney, for years one of the best halves in Canada, with Toronto Ulster and Hamilton, heads the half-line and is flanked by Cpl. "Midget" Grimstone, an aggressive lad, formerly with Flood Mines and L-Cpl. "Blondie" Evered, who played commercial in Toronto. McNabney is still one of the best in Canadian soccer.

"Foxy" Weaton of Winnipeg Westons and a tricky-cup player is centre-forward and can hand out a pass with the best. "Plunger" Hamilton at left inside is a former Flood Tiger, while L-Cpl. H. A. Carson is just up from the Toronto to juvenile groups. Kane and Vallera, the outsiders of the team, while lacking a bit in experience, are fleet of foot and full of the old college try. "Flash" and "Swiftly" are the nicknames tacked on these two boys by their mates.

Substitutes do not weaken the team and five sure performers are on hand. Rolan, of Dome Mines, can play forward or goal. Cpl. Wilson is a former Toronto minor leaguer. Sgt. Wes. Niles adds his introduction personally, but his soccer ability comes as a surprise, while Lantz, George and Manning, two popular officers and capable soccerists, round out the team. All being well next year, it is likely the team will be entered in the Toronto and district league.

The boys would like another crack at District Depot, so perhaps it can be arranged before the season is over. Wes. Niles, incidentally, played for Scottish against the Camp when the highlanders came up a man short and West scored the visitors' singleton counter, which indicates the strength of the Camp team. Most of the team have taken part in the dominion playdowns. Soccer is one game where an older man can hold his own, especially on the backfield, with the best that youth can produce.

Murray Scruton of Etobicoke Indians is slated to handle Marlborough junior B entry, although where they will play seems problematical at this time. Scruton is a neighbor of Happy Day and thus is now associated with the Maple Leaf family. Jack Sinclair will again coach Marlborough junior A team. Scruton is responsible for Evans, the Milton goalie, and Ronnie Rowe of Markham, and Don Webster of Islington getting a chance with the Leafs this year. It is a shame Del. Bysanmont has not been given a chance by the Toronto team this year. He is every bit as good as Rowe or Webster, but not as colorful, or should we say, quick-tempered. Both Rowe and Evans in conversation with the writer a few days before leaving for the training camp expressed the opinion that Bysanmont was as good as any junior forward they saw last year.

Ken Dixon, who played for Oakville juniors on the defence last year, is another boy receiving a trial. We could name at least three others who looked better. Dixon is the ace sniper of the Mimico-Brampton Combines, whom we saw defeated by New Westminsters last week. Webster is a brother of "Chick" Webster, who played for Newmarket Camp last season and is of the well-known family of the Glen-

WE'RE GOING TO NEED SO MANY THINGS WHEN THE WAR ENDS...things that are hard to get now

Every day, almost, we find that something else is getting scarce. So often, we are told "they're not making it any more". Factories are making guns instead of ploughs, tanks instead of tractors, planes and shells instead of stoves and beds. We'll have to replace so many things when the war ends... things we can't buy now.

MONEY INVESTED IN VICTORY BONDS

will provide the cash to buy them

TWO WAYS TO BUY VICTORY BONDS NOW

with cash

... in one lump sum, with money we have saved. There is no safer investment... no better way to protect our savings.

Or—we can buy bonds and pay for them through our banks in monthly instalments. As the instalments come due the bank will charge them to our accounts.

with produce

Farm folk can pay for Victory Bonds in another, convenient way—by using the "PRODUCE FOR VICTORY" TICKET. By simply signing a "Victory Ticket" you can authorize those who buy produce from you to send all or part of the proceeds to the War Finance Committee to buy Victory Bonds for you. (Ask your local War Finance worker for details.)

WHAT A VICTORY BOND IS

Look at a dollar bill. A dollar bill is like a bond. It's a promise to pay to the man who has it. You get bills when you sell things and pay them out when you buy things. A Victory Bond is "a bill" intended to be saved. When you keep a \$100.00 Victory Bond for a year you receive an additional \$3.00. (3% interest). Buy all the Victory Bonds you can—lend money to Canada to help to win the war. Save your bonds to have money for things you'll need when the war ends.

KESWICK

Five Months Residence
Wins Tribute For Couple

A beloved former pastor in
Keswick, Rev. W. P. Fletcher,
D.D., returns for the anniversary
services in the United church on
Sunday. Dr. Fletcher, now
minister of the United church in
Marmora, was minister of Kes-
wick Christian church until 1919.
For some years after leaving
Keswick he was on the staff of
the Ontario Religious Education
Council.

Later he was at Oshawa,
Odessa and Wilton. Last year
the Bay of Quinte conference of
the United church honored him
with election to the presidency.
Although a veteran minister, Dr.
Fletcher is still going strong.

Many friends and former pa-
rishioners are looking forward to
his visit. Mrs. Fletcher will
accompany him.

Honoring Mrs. Frank Farrow,
who for five months has been
acting organist at the United
church, the choir gathered at the
home of Mr. and Mrs. Harold
Pollard, the latter being the
regular organist, on Tuesday
evening. Many words of appre-
ciation for Mrs. Farrow's help
were voiced. The minister, Rev.
Gordon Lapp, said that he would
like to repeat what he had said
at the morning service of the
previous Sunday, namely, that
Mrs. Farrow's willingness to take
over the organ at a time of need
and her fine work had been a
great blessing to minister, choir,
and worshippers.

Reference was also made to
Mr. Farrow's help from time to
time in the choir. General re-
gret was voiced at their removal
to Parry Sound, after a short
residence in Keswick, during
which the people were just com-
ing to know them. Miss Eva
Gilroy, choir leader, read an ad-
dress signed by the members of
the choir. Presentation of a sil-
ver water pitcher was then
made.

Included among the choir
members were a number of the
young people of last year's so-
ciety. A few others, including
Miss Joan Peel, the president,
were also present. On behalf of
the young people Miss Peel made
a presentation of a wallet to
Walter Walker, who leaves
shortly for service in the navy.
Mr. Walker was also thanked for
his work in the choir, where he
has been a faithful member and
has frequently done solo work.

Music, games and light re-
freshments brought to a close a
happy evening.

AC2 Edwin Marritt was a
weekend visitor at his home.

Visitors recently at "Grand-
view," home of Mr. and Mrs. F.
Eastman, were Sgm. H. D.
Vince, Mrs. Vince and daughter,
Connie, of Edmonton, Pte. Wm.
Kinnear of Kingston, Mr. and
Mrs. J. Kinnear, Mr. and Mrs.

Miss Irene Scott of Toronto, Mr.

HOW TO COMBAT

Rheumatic Pains

Rheumatic pains are often caused by uric
acid in the blood. This blood impurity
should be extracted by the kidneys. If kid-
neys fail, and excess uric acid remains, it
irritates the muscles and joints causing
excruciating pains. Treat rheumatic pains
by keeping your kidneys in good condition.

CHURCH CELEBRATES
120TH ANNIVERSARY

Keswick Christian church held
its 120th anniversary services
on Sunday. The speakers, Rev.
Gibson Brown of Stouffville at
the 11 a.m. service and Rev.
Alex. Stein of Newmarket at
7.30 p.m., both gave inspiring
sermons to a well-filled church.
The United church joined in the
evening service. Much appre-
ciated were the solos by Mrs.
Brown in the morning and Mrs.
Wm. Epworth of Newmarket,
accompanied by Mrs. Stein, at
the evening service. Rev. R. W.
Serrick, pastor of the church,
was present at both services and
assisted.

Guests at Rev. and Mrs. Serr-
ick's on Sunday were Mr. and
Mrs. Sinclair of Ringwood, Rev.
and Mrs. Brown of Stouffville
and Mr. and Mrs. Ferg. Taylor
and Elaine of Newmarket.

Mr. and Mrs. Kennedy and
two sons of Scott township were
Sunday guests at Mr. and Mrs.
Freeman Pollock's.

Mrs. Jack Cameron has re-
turned to "LaClare" after a visit
with friends in Toronto.

Mr. and Mrs. Isaac Waldon
held a sale last week of house-
hold and farm goods and are
moving to Keswick to make their
home at Mrs. Perry Morton's.

Mr. Dick Pollock of Windsor
was calling on friends in the
village on Monday.

Mr. R. Stork, who has been
ill, is spending some time with
his mother in Pickering.

Mrs. Beattie of North Bay and
her daughter, Miss Iona Beattie
of Toronto, were recent guests
of Mrs. Beattie's sister, Mrs. J.
Linstead, leaving on Tuesday of
this week.

The autumn thank-offering
meeting of the W.M.S. of Kes-
wick United church was pre-
sided over by the president, Mrs.
W. E. Morton, who led in an
appropriate worship service.
Others taking part in the meet-
ing were Miss Joy Marritt, Mrs.
O. M. King, Mrs. Vaughan, Mrs.
Baines and Mrs. George White.

A much enjoyed solo was sung
by Mrs. Whipple, accompanied at
the piano by Mrs. Leslie Mor-
ton. Miss Joy Marritt presented
a chapter of the study book of
exceptional interest. A question
and answer quiz on home mis-
sions, stressing service, was con-
ducted by Mrs. Morton and Mrs.
White.

Mrs. Whipple, who has spent
a couple of weeks with her
mother, Mrs. J. H. Prosser,
brought a most interesting
account of her son's, Walton's,
return with his wife and family
from French Indo-China, where
they were engaged in mission-
ary work until Japanese occupa-
tion. As Walton Whipple is so
well known in this locality, the
brief talk his mother gave was
most appreciated, as many had
anxiously waited to hear of his
safe return to his home in the
U.S.A.

It was decided that unless
otherwise announced the regular
meeting hour would be 3 o'clock
sharp, each second Thursday
afternoon.
